# **The Hatfield Collection ~ Historical Aerial Photos of Santa Clara Valley**

**Wednesday  
October 8, 2008  
7:00 p.m.  
Cedar Room  
Central Park Library  
2635 Homestead Road  
Santa Clara, CA**

Join photographer-author **Ben Hatfield** as he discusses the history of the dramatic aerial photographs of Santa Clara Valley taken by the Hatfield Aerial Survey Company from 1947-1980. Learn more about this astounding visual archive that documents the evolution of the Santa Clara Valley from dairies, farms, and fruit orchards into the world-renowned Silicon Valley. His new book, ***Over Time: Palo Alto, 1947-1980***, also will be discussed and available for sale. Aerials taken over Santa Clara will be the featured photographs on display; those who feel they could identify ranches and other buildings in these photos are encouraged to attend.
